

# The Mabry i-Form

We plan to use the Internet as an important tool to share information with our parents and community. In addition to routine information dissemination on the Mabry web page, we also wish to post student work samples, pictures, even an Internet video about our school. Our long-term goal is a student-produced DVD that explains and showcases the outstanding work our students, parents, teachers, and staff do at Mabry Middle School every year.

Your permission is required for our using your child's work, picture, or first name in this communication medium. *Please respond to each of the three items below, sign, and return the form to your child's homeroom teacher.*
